RULES AND REGULATIONS REGARDING CONTRIBUTIONS

State law requires that we use our best efforts to collect and report the name, address, occupation, and employer for each individual whose contribution exceeds \$100 in a calendar year.

Contributions are not tax-deductible. Corporate contributions are prohibited; individuals, partnerships and other non-incorporated organizations may contribute up to \$500. A non-incorporated business and its owner, partnerships with the same general partner, and other affiliated entities are subject to a single, combined limit of \$500. We do not accept contributions from lobbyists, political parties or persons who are negotiating public contracts subject to School Board approval, or who have received such a School Board contract within the prior three months. An individual may only contribute a combined total of \$7,000 to all Supervisorial, School Board or Community College candidates running in the November 2008 election.
